Dear Commissioner:

Enclosed with this letter please find a copy of the response to the outstanding non-final office action issued for the above referenced case, response which was filed with the USPTO today via facsimile to the General Fax Number (571) 273-8300. Unfortunately, we did not receive a USPTO Autoreply and we are not certain that the facsimile transmission was received by the Office. To make sure that the response is timely filed, we are also submitting a copy of the response via US First Class Mail. Note that we are not including a copy of the credit card authorization in case this action is received and the credit card payment already processed. If you do need to process any fees associated with this filing, please charge it to the deposit account as authorized in the Petition for Extension of Time form included with this filing.

I would certainly appreciate confirmation of receipt. Please do not hesitate to contact me if you have questions or concerns regarding this particular matter.

Sincerely,
THE ECLIPSE GROUP
